Resistor Quote Request/Order Form TxCC Quote# →

This document requires the use of Adobe Reader version XI or greater. If necessary, please download the update directly from: <http://www.adobe.com/downloads/updates/>

This pdf form can be completed online now & either printed & faxed to us at (+1) 713-461-2098 or saved, named, & emailed to us as an attachment at [resistorinfo@texascomponents.com](mailto:resistorinfo@texascomponents.com) or emailed directly now by clicking the appropriate link at the top of this form.

(If you choose to save this pdf form locally for future editing or use, PLEASE compare the version number at the bottom of the page with our online document to make sure you are using the latest available version.)

- All quotes are provided in **US dollars** and orders are shipped **FOB our location** (Texas Components in Houston, Texas USA)
- Most all **orders are custom made** and are therefore **non-cancelable/non-returnable** (with very few, very limited exceptions)
- **Customers without an established credit account must pay in advance** of shipment (and usually when the order is placed)

Please tell us below about you and about the products you are interested in: Date of form completion or update:

(est) Shipping cost:					
(provided shipping and other cost factors have all been entered)					
Further comments:					

Note: The **resistance value** is always a **six (6) character field**, e.g. 10,000Ω or 10KΩ = **10K000** and 100Ω = **100R00**

(The example shown is a two value Voltage Divider - **most items will not require or use the optional Match and Tracking fields.**)
