Resistor Quote Request/Order Form TxCC Quote# →

Please tell us below about you and about the products you are interested in:

Date of form completion or update:

This document requires the use of Adobe Reader version XI or greater. If necessary, please download the update directly from: http://www.adobe.com/downloads/updates/

This pdf form can be completed online now & either printed & faxed to us at (+1) 713-461-2098 or saved, named, & emailed to us as an attachment at resistorinfo@texascomponents.com or emailed directly now by clicking the appropriate link at the top of this form.

(If you choose to save this pdf form locally for future editing or use, PLEASE compare the version number

at the bottom of the page with our online document to make sure you are using the latest available version.)

- · All quotes are provided in US dollars and orders are shipped FOB our location (Texas Components in Houston, Texas USA)
- · Most all orders are custom made and are therefore non-cancelable/non-returnable (with very few, very limited exceptions)
- Customers without an established credit account must pay in advance of shipment (and usually when the order is placed)
